Dear A&T Stainless Customer:

**Subject: Price Announcement**

Effective with shipments beginning on March 1, 2020, A&T Stainless is increasing selling prices. The price increases will be achieved by:

- Reducing the functional discount 2 points for cold rolled 304, 304L, and 316L.
- Increasing the base price on HRAP / CMP by \$0.03/lb.

We thank you for your support. If you have any questions, please contact your sales representative.

Sincerely,

---
